# WELCOME TO GASLITES

**Gaslites have been supplying the Australian market with high quality lighter products and services for over 25 years.**

We supply quality lighters and lighter products to all business sectors, providing expertise and support for new and established companies.

We are committed to being market leaders with a complete innovative range which includes flint, electronic and utility lighters along with a full range of accessories.

Due to our extensive market knowledge, relationships, sourcing and reputation we have recently been selected to represent the Flameclub brand in Australia.

The Flameclub name is synonymous for producing the highest quality lighters and designs, markets and manufactures a complete selection of exclusively designed lighter products for any lifestyle.

Our dedicated sales team understands that in today's competitive business world, superior customer service is vitally important.

We will work closely with you from initial concepts to final approved artwork providing the best possible solutions to our customers needs.

Our experienced production team employ the latest printing techniques using state of the art machinery and software.

This delivers a cost effective method and enables us to provide a high quality finish on all projects from basic prints to full colour photographic prints.

***"Our approach is fresh and the solutions are unique. For the team at Gaslites, customer service is an attitude not a department"***
